Beyaz göğsün bana karşı açma, beni öldürürsün Mihribanım
Gözlerini süze süze bakma beni öldürürsün Mihribanım,
Öldürüp kanıma girme, hiç kimseye gönül verme,
Elâ göze siyah sürme çekme, beni öldürürsün Mihribanım,
Cevheridir şirin bülbül metheyesin seni gönül,
Yanağına kırmızı gül takma beni öldürürsün Mihribanım,
