NİHÂVEND - Bir yılda tam dört mevsim var
DEVAMI - (2)

Beste : Dr. Alâeddin YAVAŞÇA

Bir yılda tam dört mevsim var,
Benim ömrüm hep ilkbahar..
Çünkü bana hayat veren, o yemyeşil gözlerin var
Ömrümü neş'elendiren, ağlatmayan hep güldüren
Bakışıyla hayat veren, o yemyeşil gözlerin var
Rûhumu taptâze tutan, ömrüme ömürler katan
Beni hep mutlu yaşatan, o yemyeşil gözlerin var
