Bu gece o ince yüzün ve dalgalı saçlarınla
 Yine karşıma çıktın kardeşin
 Elinde kendi kendine öğrendiğin udun
 Ve gözlerinde sâde uçarı ve şakrak bir hayâl
 Yine aynı şarkı o ince dudaklarında
 Bâis-i berbâdın oldu can yakıcı gözlerin
 Sen söyledikçe baban, annem ve kardeşlerin
 Hepsi toplanıp bir halka oldular
 Sana yürekten, sana ciğerden sordular
 Nasıl orada ud çalıyor musun ?
 Sen sustun, yalnız dolu gözlerle baktın onlara
 Ve sonra kayboldun.
