Bu sevgim tükenmez büsbütün büyür  
Özlenim sel olup peşinden gelir  
Gözünden uzaklaşan gönülden değil  
Hayâlin güllersen kâğıdı verir

Olumsuz düşünme yitir beslerim  
Tandırın mükâ bir ömür isterim  
Elinden tutarsam biter derkenim  
Hayâtem canımın eşinsin benim
