Ak şam yi ne gül

Akşam yine gölgen yine gölgen yine akı
gölgen neyi görsem neyi sevsem neye ba
Sensiz içilen bade karanlık dolu bir
Gölgen neyi görsem neyi sevsem neye ba
Ağuşum açığır rengim uçuk kalbim ışiksiz
Karşımda günün çehresi bir yaslı gata
Hüsnün Akadar tasaki sevgim yakışıkla
