Ne tattım başkadutahlarda

Ne buldum başka kucaklarda

Benden işten severseniz seni

Ne olur den bana bu illaharda

İsmi gönlüme chaftıralda

Sitemden düşer yeriade

Göleceğin diye günün biride

Yürüm çığırın den illaharda

Senetleri senetler havalar

Yürüpün bir anıv kaplar

Ne olur çileden karlar beni

Ne olur
